US - Patent 5,810,650 EP - Patent 0781 629 B1

Made in Germany

NEW

JSD-150

Super Mesh is a revolutionary sanding product for power sanders. It has 1000's of holes that improve the pads resistance to clogging. The design of Super Mesh helps to minimise wear while maintaining optimum sanding conditions and a healthier work environment.

NEW

WALLBOARD TOOLS SUPER MESH

- Aluminium oxide grain mesh material
- Polyamide fabric backing
- Anti clogging technology
- Uniform sanding pattern
- Produces superior surface finish
- Available in 180, 220 & 240 grits

SM-220

SP-220

Wallboard Super Pads are tough and perfect for any size sanding job. The rim of the Wallboard Super Pad is free from holes which reduces the chance of tearing while increasing the lifespan of each pad.

WALLBOARD TOOLS SUPER PADS

- Wallboard Tools Super Pads are sold in both 5 packs and 25 packs
- Cushioned pad reduces the chance of swirl marks
- Rim free from holes limits the incidence of tearing
- Holes punched through paper and backing material for excellent dust extraction
- Available in 120, 150, 180 and 220 grits

HOOK AND LOOP FOAM ADAPTORS

Attach hook and loop backed sanding discs quickly and easily to your power sander with a Wallboard foam adaptor pad.

VFP-225

PSV-225

Power Sanding
